# Storage Technologies and Automation Limited

## Management Discussion & Analysis — FY2026 (Audited)

BSE: 544171 / STAL | ISIN: INE0RGM01016 | Figures in ₹ Mn unless stated

### 1. Overview

**Consolidated:** Revenue from operations declined 15.4% year-on-year to ₹849.70 Mn (FY25: ₹1,003.79 Mn). The Company recorded an EBITDA loss of ₹6.30 Mn (FY25: EBITDA ₹94.38 Mn) and a net loss attributable to shareholders of ₹ 32.74 Mn (FY25: profit ₹35.51 Mn). The performance deterioration was more pronounced at the consolidated level, reflecting both domestic and cross-border headwinds.

**Standalone:** Revenue from operations declined 10.18% to ₹848.00 Mn (FY25: ₹944.16 Mn). The Company posted an EBITDA loss of ₹5.23 Mn (FY25: EBITDA ₹89.66 Mn) and a net loss after tax of ₹31.27 Mn (FY25: profit ₹32.19 Mn).

At the EBITDA level, the shortfall was heavily concentrated in H2: H1 FY26 was modest EBITDA-positive at the consolidated level (₹8.11 Mn; standalone ₹7.08 Mn), whereas H2 FY26 turned sharply EBITDA-negative (consolidated: ₹(14.43) Mn; standalone: ₹(12.30) Mn). The weakness reflects: (a) order cancellations and deferrals from a key customer on account of competitiveness concerns and project scrapping; (b) geopolitical disruption — war-related supply chain disruptions and gas-supply problems in production.

### 2. Financial Performance — Consolidated

#### Consolidated Profit & Loss Summary

Particulars (₹ Mn)	H2 FY26	H2 FY25	YoY	H1 FY26	QoQ	FY26	FY25	YoY
Revenue from Operations	377.56	509.55	-25.9%	472.14	-20.0%	849.70	1003.79	-15.4%

Gross Margin	36.8%	42.2%		36.3%		36.5%	37.28%	
EBITDA	(14.43)	53.15	-127.1%	8.11	-277.2%	(6.32)	94.37	-106.7%
EBITDA Margin	(3.82%)	10.43%		1.72%		(0.74%)	9.4%	
Profit Before Tax	(29.64)	33.35		(14.05)		(43.69)	56.80	
Profit After Tax	(17.77)	25.20	-170.5%	(14.97)	18.7%	(32.75)	35.51	-192.22%
PAT Margin	(4.71%)	4.95%		(3.17%)		(3.85%)	3.54%	

### 3. Results of Operations

#### Revenue

**Consolidated:** Consolidated revenue of ₹849.70 Mn declined 15.4% YoY (FY25: ₹1,003.79 Mn), with the larger proportionate decline vs. standalone reflecting the higher FY25 consolidated base and incremental order losses at the subsidiary level. H2 FY26 consolidated revenue of ₹377.56 Mn fell 25.9% YoY and 20% sequentially (H1: 472.14 Mn), with the subsidiary (UAE) losing several orders in Q4 FY26 — partially related to geopolitical disruptions and gas-supply issues in the production and cancelled project commissioning.

**Standalone:** Standalone revenue of ₹848.00 Mn was down 10.2% YoY. The decline was second-half weighted: H2 FY26 revenue of ₹377.47 Mn fell 19.8% sequentially and 25.7% YoY. Multiple factors drove the shortfall:

- Order cancellations and scrapping by one corporate client and project reassessment — a key customer relationship that contributed meaningfully to prior-year revenues.
- Project deferrals/postponement from other customers, where projects were delayed rather than cancelled, deferring billing into FY27.
- March revenue suppressed due to production management and logistics challenges related to dispatching and assembly, limiting the full-year outturn.
- Geopolitical disruption (war situation) impacting export market pipeline, particularly in GCC markets.

The outstanding order book as of 31 March 2026 stood at approximately ₹200Mn, with the book building to ~₹350Mn by May 2026 and a further ~₹50Mn expected to close in the near term — providing improved revenue visibility entering FY27.

## Margins and Profitability

**Consolidated:** Full-year consolidated gross margin was 36.51% (FY25: 37.28%), with the compression driven by revenue de-leverage and adverse mix as higher-margin domestic installation work was partially substituted by lower-absorption export activity. Despite resilient gross-level performance, EBITDA turned negative at (0.74%) margin (FY25: 9.40%), as operating overheads — particularly employee costs (₹117.00 Mn) and operating expenses (₹113.53 Mn) — did not scale down commensurately. Consolidated net loss attributable to shareholders was ₹32.75 Mn vs. profit of ₹35.51 Mn in FY25.

**Standalone:** Full-year gross margin contracted to 36.4% (FY25: 38.2%) — the optically high H2 gross margin of 47.4% is distorted by inventory-change timing and is best read annually. EBITDA turned negative at (0.6%) margin (FY25: 9.5%), as employee benefits rose to ₹117.01 Mn and contractual manpower, machinery-rental, and subcontracting costs on the delayed installation project persisted. The installation segment, which historically contributed ₹60Mn in margin, is expected to recover to ₹120Mn in FY27 as the deferred project completes and order-booking margins — which have already improved in FY26 — flow through to execution. Depreciation increased to ₹23.14 Mn; finance costs eased to ₹19.04 Mn, producing a pre-tax loss of ₹42.21 Mn and, after deferred-tax credit, a net loss of ₹31.28 Mn.

## . Outlook for FY2027

For FY2027, the Company expects a stronger operating footing as: (a) deferred projects complete and bill; (b) contractual manpower and rental overhangs normalise; (c) the mix tilts toward higher-margin automated and GCC work; and (d) order-booking margin improvements flow through to reported P&L.

Under current circumstances management is expecting FY27 Revenue to grow upwards of 20%. There could be further 10-15% upside potential in this Topline contingent on export market acceleration.

With revenue scaling and the fixed-cost overhang normalising, EBITDA margin is targeted to return to positive territory in FY27, marking a decisive improvement over FY26.

Near-term profitability remains sensitive to steel-price movements, the pace of collections and project-conversion timing, and geopolitical developments in GCC markets.

INDEPENDENT AUDITOR'S REPORT

To,

The Members of **Storage Technologies and Automation Limited**

**1. Opinion**

We have audited the standalone financial statements of **Storage Technologies and Automation Limited** ("the company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss for the year then ended, the Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanation given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with Companies (Accounting Standard) Rules, 2021 and other accounting principles generally accepted in India:

- a. In the case of balance sheet, of the state of affairs of the Company as at March 31, 2026;
- b. In the case of statement of profit and loss, the loss for the year ended on that date;
- c. In the case of cash flow statement, of the cash flows for the year ended on that date.

**2. Basis of Opinion**

We conducted our audit in accordance with the Standards of Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the *Auditor's responsibility for the Audit of the standalone Financial Statements* of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the rules thereunder, and we have fulfilled our ethical responsibilities in accordance with these

requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

### **3. Emphasis of Matter**

We draw attention to Note 36B to the standalone financial statements, which states that, pursuant to the Karnataka Compulsory Gratuity Insurance Rules, 2024, issued under the powers conferred by the Payment of Gratuity Act, 1972, the Company is required to obtain gratuity insurance or establish an approved gratuity fund to meet its gratuity obligations. However, as at the balance sheet date, the Company has neither obtained such insurance nor established an approved gratuity trust, resulting in non-compliance with the aforesaid regulatory requirements.

Further, the company has recognised the entire past service cost arising on account of the impact of the new wage code in the Statement of Profit and Loss during the year. As per paragraph 94 of Accounting Standard (AS) 15 - \*Employee Benefits\*, past service cost attributable to unvested employees is required to be recognised over the average remaining vesting period, while the vested portion is recognised immediately. However, the Company has not bifurcated the past service cost between vested and unvested employees and consequently the amount requiring deferred recognition could not be ascertained. In the opinion of the management, the impact thereof is not material to the financial statements.

Our opinion is not modified in respect of this matter.

### **4. Other Matters**

The standalone financial statements of the entity for the year ended March 31, 2025, were audited by another auditor who has expressed an unmodified opinion on those statements on May 30, 2025. Our opinion is not modified in respect of these matters.

### **5. Other Information:**

The company's Board of Directors are responsible for the preparation of the other information. The other information comprises of the information included in the Annual report but does not include the standalone financial statements and auditor's report thereon. The Annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit, our responsibility is to be read the other information and, in doing so, consider whether such other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

#### **6. Management's Responsibility for the standalone Financial Statements**

The company's Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act read with Companies (Accounting Standard) Rules, 2021. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

**7. Auditor's Responsibilities for the Audit of the standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risk of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than that of resulting from error, as fraud may involve collusion, forgery, intentional omission, misstatements, or the override of internal controls.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material misstatement exists related to events or the conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the

audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.

- e) Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentations.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work, and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged to governance regarding, among the other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance that we have complied with ethical requirements regarding the independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

## ANNEXURE TO INDEPENDENT AUDITORS'S REPORT

## ANNEXURE-A

Referred to in **Paragraph 8.1** of our report of even date and according to the information and explanation given to us and on the basis of our examination of records

1. In respect of its Property, Plant and Equipment and Intangible Assets:
  - a. The company has maintained records showing full particulars including quantitative details and situation of Property, plant and equipment.  
The company does not hold any intangible assets. Accordingly, clause (i)(a)(B) of paragraph 3 of the Order is not applicable
  - b. The company has a policy to verify Property, Plant and Equipment physically by the management once in three years. In our opinion, and according to the information and explanation given to us, having regard to the size of the company and the nature of Property, Plant and Equipment, the periodicity of physical verification is reasonable. Pursuant to the policy, the management has represented that the verification was done in the last financial year. However, report was not made available for our verification and hence, we are not commenting on the same.
  - c. The company has constructed buildings (temporary structures) on the land taken on lease and hence the title deeds for the same are not in the name of the company. The details of constructed buildings are given below:

Gross Block	Net Block
191.28 lakhs	94.59 lakhs

- d. The company values its Property, Plant and Equipment and intangible assets on cost basis. Hence, commenting on clause i(d) of paragraph 3 of the order does not arise.
- e. There are no proceedings initiated or pending against the company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.

2. In respect of its inventories:
- The management has conducted the physical verification of inventory and no material discrepancies were noticed during the verification.
  - During the year, the company has been sanctioned working capital limits in excess of five crores rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. Based on our examination of the records of the company, we observed that the quarterly returns/statements filed with the banks/financial institutions are not in agreement with the books of accounts of the company. The details of such differences are tabulated as under:

(Rs. in lakhs)

Particulars	Amount submitted with Bank	Amount as per Books	Differences
Inventory - Q1	1,798.08	1,798.08	-
Inventory - Q2	1,493.35	1,545.63	(52.27)
Inventory - Q3	1,246.70	1,246.70	-
Inventory - Q4	1,597.73	1,597.73	-
Trade Receivables - Q1	3,539.51	3,689.66	(150.14)
Trade Receivables - Q2	3,981.18	4,054.45	(73.27)
Trade Receivables - Q3	3,572.83	3,927.66	(354.83)
Trade Receivables - Q4	2,656.51	3,089.30	(432.79)

The difference in Trade Receivables is on account of advances received from customers. The Company has submitted the receivables after netting off the advances received. **ANNEXURE 'B' TO INDEPENDENT AUDITOR'S REPORT****Referred to in paragraph 8.2(f) of our report of even date****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **Storage Technologies and Automation Limited** ("the Company") as of March 31, 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**1. Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI").

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, safeguarding of its assets, prevention and detection of frauds and errors, accuracy and completeness of accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**2. Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India.

Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **3. Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that:

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are

being made only in accordance with authorisations of management and directors of the company; and

3. Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **4. Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **5. Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026 , based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

The Company has established internal financial controls that are generally operating effectively. However, during the course of the audit, certain controls and processes in a few areas were found to be insufficiently documented. We have provided recommendations to management to mitigate risks and further strengthen the documentation and related control procedures.

Management has reviewed and agreed with the observations and recommendations and has represented that necessary steps will be taken to implement the same within a reasonable timeframe, thereby further enhancing the effectiveness of the internal financial control framework.

**1. Opinion**

We have audited the consolidated financial statements of **Storage Technologies and Automation Limited** (hereinafter referred to as "the Holding Company"), its subsidiaries (the Holding Company and its Subsidiaries together referred to as "the Group") which comprise the Consolidated Balance Sheet as at March 31, 2026, the Consolidated Statement of Profit and Loss for the year then ended, the Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanation given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with Companies (Accounting Standard) Rules, 2021 and other accounting principles generally accepted in India:

- a. In the case of balance sheet, of the state of affairs of the Group as at March 31, 2026;
- b. In the case of statement of profit and loss, the loss for the year ended on that date;
- c. In the case of cash flow statement, of the cash flows for the year ended on that date.

**2. Basis of Opinion**

We conducted our audit in accordance with the Standards of Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the *Auditor's responsibility for the Audit of the consolidated Financial Statements* of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of

India together with ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013 and the rules thereunder, and we have fulfilled our ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

### **3. Emphasis of Matter**

3.1. We draw attention to Note 2.1 to the consolidated financial statements, wherein the financial statements of Rollers and Racks FZ-LLC, a subsidiary company, which reflect nil revenue, nil assets and nil cash flows, have been consolidated based on unaudited financial information furnished by the management.

3.2. We draw attention to Note 35B to the consolidated financial statements, which states that, pursuant to the Karnataka Compulsory Gratuity Insurance Rules, 2024, issued under the powers conferred by the Payment of Gratuity Act, 1972, the Holding Company is required to obtain gratuity insurance or establish an approved gratuity fund to meet its gratuity obligations. However, as at the balance sheet date, the Holding Company has neither obtained such insurance nor established an approved gratuity trust, resulting in non-compliance with the aforesaid regulatory requirements.

Further, the Holding company has recognised the entire past service cost arising on account of the impact of the new wage code in the Statement of Profit and Loss during the year. As per paragraph 94 of Accounting Standard (AS) 15 - Employee Benefits, past service cost attributable to unvested employees is required to be recognised over the average remaining vesting period, while the vested portion is recognised immediately. However, the Holding Company has not bifurcated the past service cost between vested and unvested employees and consequently the amount requiring deferred recognition could not be ascertained. In the opinion of the management, the impact thereof is not material to the financial statements.

Our opinion is not modified in respect of this matter.

**4. Other Matters**

4.1. The consolidated financial statements of the entity for the year ended March 31, 2025, were audited by another auditor who has expressed an unmodified opinion on those statements on May 30, 2025. Our opinion is not modified in respect of these matters.

4.2. We did not audit the financial statements and other financial information, in respect of 2 subsidiaries, whose financial statements include total assets of Rs. 346.37 lakhs as at March 31, 2026, and total revenues of Rs. 16.93 lakhs and net cash (outflows)/ inflows of Rs. (3.80) lakhs for the year ended on that date. These financial statements and other financial information have been audited by other auditors, which financial statements, other financial information and auditor's reports have been furnished to us by the management. Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of such other auditors

Our opinion above on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

**5. Other Information:**

The Holding Company's Board of Directors are responsible for the preparation of the other information. The other information comprises of the information included in the Annual report, but does not include the consolidated financial statements and auditor's report thereon. The Annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit, our responsibility is to be read the other information and, in doing so, consider whether such other information is materially inconsistent with the

consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

#### **6. Management's Responsibility for the consolidated Financial Statements**

The Holding company's Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act read with Companies (Accounting Standard) Rules, 2021. The respective Board of Directors of the Companies are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the respective Companies and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations or has no realistic alternative but to do so.

Those respective Board of Directors of the Companies included in the Group are also responsible for overseeing the Group's financial reporting process.

#### **7. Auditor's Responsibilities for the Audit of the consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is

a high level of assurance but is not a guarantee that an audit conducted in accordance with SA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risk of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than that of resulting from error, as fraud may involve collusion, forgery, intentional omission, misstatements, or the override of internal controls.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the holding company has adequate internal financials controls system in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material misstatement exists related to events or the conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the group to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures and whether the consolidated financial

statements represent the underlying transactions and events in a manner that achieves fair presentations.

- f) The subsidiaries included in the consolidated financial statements which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work, and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company regarding, among the other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance that we have complied with ethical requirements regarding the independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

## **8. Report on Other Legal and Regulatory Requirements**

- 8.1. **ANNEXURE 'B' TO INDEPENDENT AUDITOR'S REPORT****Referred to in paragraph 8.2(f) of our report of even date****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the consolidated financial statements of **Storage Technologies and Automation Limited** (hereinafter referred to as the "Holding Company") as of and for the year ended March 31, 2026, we have audited the internal financial controls with reference to consolidated financial statements of the Holding Company and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), as of that date.

**1. Management's Responsibility for Internal Financial Controls**

The respective Board of Directors of the companies included in the Group, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI).

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**2. Auditor's Responsibility**

Our responsibility is to express an opinion on the Holding Company's internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both, issued by ICAI.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness.

Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

### **3. Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of

financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting with reference to consolidated financial statements includes those policies and procedures that:

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **4. Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls over financial reporting with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **5. Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Holding Company and its subsidiary companies, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over

financial reporting criteria established by the Holding company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

The Group has established internal financial controls that are generally operating effectively. However, during the course of the audit, certain controls and processes in a few areas in Holding Company were found to be insufficiently documented. We have provided recommendations to management to mitigate risks and further strengthen the documentation and related control procedures. Management has reviewed and agreed with the observations and recommendations and has represented that necessary steps will be taken to implement the same within a reasonable timeframe, thereby further enhancing the effectiveness of the internal financial control framework.

#### **6. Other Matters**

We did not audit the internal financial controls over financial reporting of Subsidiary Companies, as considered in the consolidated financial statements. The internal financial controls over financial reporting of such subsidiaries have been audited by other auditors whose reports have been furnished to us, and our opinion in so far as it relates to such subsidiaries is based solely on the reports of the other auditors.

Our opinion is not modified in respect of the above matter
